SPECIAL ABBREVIATION

bead 1 = place a bead by taking yarn to RS of work and slipping bead up next to st just worked, slip next st purlwise from left needle to right needle and take yarn back to **WS** of work, leaving bead sitting in front of slipped st on **RS**.

Beading note: Before starting to knit, thread beads onto yarn. To do this, thread a fine sewing needle (one that will easily pass through the beads) with sewing thread. Knot ends of thread and then pass end of yarn through this loop. Thread a bead onto sewing thread and then gently slide it along and onto knitting yarn. Continue in this way until required number of beads are on yarn. Do not place beads on edge 2 sts of rows as this will interfere with seaming.
